The town centre offers many kinds of interesting shops, including the Uki Outlet shop open during the summer.

The Empire-style wooden house district is one of the largest and best preserved in the country. Six hundred wooden houses in more than forty blocks! SPECIALTIES OF A SMALL TOWN

large exhibition halls with plenty to see for car fans of all ages. The Bonk Museum exhibits a range of out-of-this-world inventions and defuncted machines. In the children's Innovatorium workshop, younger visitors can design their own Bonk devices.

The Minifarm & Flower Fair event for the whole family is held on 17–18 May. The evening market events at the Pakkahuone guest harbour and the Tul toril themed market events at the market square are a must see for any visitor. The Crime Writer's Favorite Spots in Uusikaupunki

Author **Rake Tähtinen**, known from the world of Finnish suspense novels, has published twelve novels set in Uusikaupunki, eleven of which belong to the Detective Inspector Petäjämäki series. His first crime novel, *Musta Joul* (*Black Christmas*), was released in 2008, and the most recent one, *Tuonen lähetti* (*Messenger of Death*), came out last autumn.

Menneisyyden arvet (*Scars of the Past*), which was even a nominee for the 2023 Johtolanka Award, will be brought to life as a stage play at Uusikaupunki Theater this fall.

“For a writer, having one’s novel adapted for the theater stage is a great honor, and I truly appreciate it,” Tähtinen remarks.

Tähtinen has lived in Uusikaupunki for over forty years, and he considers the seaside town not only an excellent place to live but also a great setting for his books.

“My hometown is like a miniature Finland—maritime charm, countryside, urban culture, and industry. While relatively peaceful in the winter, the town turns into a bustling tourist destination in the summer. We also have suburban areas, contrasted with an idyllic wooden town,” Tähtinen describes Uusikaupunki from a writer’s perspective.

“Every now and then, people tell me how unbelievable it is that such a small and picturesque town could

have as many murders as in my books. But when I mention Sweden’s Ystad, made famous by Henning Mankell, the disbelief vanishes instantly,” Tähtinen chuckles.

Below, you’ll find Rake’s recommendations for his favorite spots in Uusikaupunki.

1. **Santtioranta.** When I moved to Uusikaupunki with my parents in the summer of 1981, it was only about a hundred meters from our yard to the beach. The kiosk at the campsite also did good business selling pick-and-mix candies. Today, thanks to the current entrepreneur, the area has been revived, and Santtionranta remains a favorite destination for a summer stroll. With its diverse services, the area is enjoyed by both locals and visitors alike.
2. **The Cliffs at Karhuluoto Beach.** On a beautiful summer evening, I often find myself driving to the shores of the Freshwater Basin at Karhuluoto. Sitting on the sun-warmed cliffs and basking in the evening light is both therapeutic and inspiring. Ideas need peace to come to life.
3. **Cafe Aitta.** An idyllic seaside café right next to the Town Bay’s bridge, offering delicious “bertsa” donuts to accompany your coffee. This nostalgic taste experience takes me back to my middle school days at Viikainen School. Back then, we used to buy “berliininmunkki” doughnuts made with the same Lailan Leipä recipe from the kiosk next to the school.

EXPERIENCE THE GOLDEN AGE OF SEAFARING AND THE LUXURY OF A MERCHANT'S HOUSE

Wahlberg's house

Wahlberg's house is part of the Uusikaupunki Museum. The museum showcases the golden age of the town's seafaring history and the life of a middle-class family.

Wahlberg's house was built more than 150 years ago by the founder of a local tobacco factory, Fredrik Wahlberg. The house still has its original decorative tile stoves, skilfully made frescoes, and hand-painted wallpapers in the parlour. The big hall also has a chandelier brought from Italy. In the downstairs rooms, you can almost smell the smoke from pipe tobacco and hear the rustle of the ladies' silk dresses. The downstairs exhibition space hosts a series of temporary exhibitions.

Upstairs, the museum houses a collection celebrating the maritime tradition of the town.

Seaman's chests, souvenirs, paintings, and navigational instruments all have their stories to tell of the golden age of seafaring and shipbuilding. The upstairs exhibition also showcases the more recent history of shipbuilding, shipyards, and the local automobile industry.

The museum features changing exhibitions a couple of times a year. In November-December, the theme of the downstairs exhibition is Christmas.

Children are also welcome at Wahlberg's house. They can play detectives in the museum and do different tasks related to the exhibition. The outbuilding contains a cobbler's workshop as well as a play area for children. The Wahlberg's house museum shop has some of the best souvenirs and gifts in town.

EXPERIENCE THE MARITIME HISTORY OF UUSIKAUPUNKI IN THE SUMMER MUSEUMS

The Sailor's Home Museum and the Naval Pilot Museum

To balance off the luxury of the tobacco merchant's house, visit the Sailor's Home Museum on the western edge of Myllymäki, where you can imagine what the life of an ordinary sailor's family was like in the early 20th century Uusikaupunki. The museum building is one of the oldest remaining residential buildings in town, and it was probably built in the late 18th century.

The Uusikaupunki pilot station used to be located on the Vallimäki hillside, where you can enjoy a great view of the sea. Pilots were tasked with making sure ships were able to reach and leave the harbour safely. The pilot station, which was built in 1857, is now a museum where you can learn more about this dangerous profession that was often passed down from father to son.

FANTASTIC IMAGINATION JOURNEY

Bonk Museum and Children's Innovatorium

There is no place as wondrous as the Bonk Museum, where you can get to know the history of the Bonk Business Inc. industrial empire. Step into the wild and fantastic world of Bonk.

Bonk is a fun fantasy product based on an idea by artist Alvar Gullichsen. The museum houses a collection of carefully restored Bonk devices and products from mid-1800s to the 1950s. Oy Bonk AB is a fictional family company with a whole history woven around them and all kinds of inventions attributed to them. The Bonk family is known for example for creating "a stimulating anchovy-based relish" and discovering the "dynamo effect caused by the movement of giant anchovies". The museum houses things such as defuncted machinery, cosmic therapy solutions, disinformation systems, and

localised black holes.

The outbuilding houses a children's workshop, Innovatorium, where the more age-challenged members of the family can design and build their own Bonk machines.

CRUSELL MUSIC FESTIVAL JULY 28 – AUGUST 3, 2025

Bernhard Henrik Crusell 250 years - Let's Celebrate!

The year 2025 marks the 250th anniversary of Bernhard Henrik Crusell, the greatest Finnish composer of his time.

Crusell was born in Uusikaupunki. He composed concertos, chamber music, an opera, and choral works. He was also a remarkable clarinet virtuoso. Throughout his career, he conducted military bands, arranged a vast array of compositions, and translated opera librettos into Swedish from multiple languages. Crusell was also known as a generous philanthropist. During this special anniversary edition of Crusell Week, we will explore many facets of our beloved Bernhard through a series of concerts and events.

Once again, the festival lineup is set to captivate both locals and visitors. The warmly hosted concerts will showcase woodwind music ranging from Dixieland to Baroque concertos and from virtuoso performances to enchanting evening melodies. Crusell Week kicks off with a grand march concert by the **Kaartin soittokunta**, the official orchestra of the President of Finland. One of the concerts will feature a historical clarinet from Crusell's era, bringing history to life through music.

New musical experiences are also in store — **Anna Näkkäljärvi-Länsman** will blend her mesmerizing joik singing with the rich timbres of woodwinds. After the children's concert, everyone will have the chance to try out different woodwind instruments. The festival's cherished Lantern Night will once again gather the community for a picnic concert under the late summer evening sky.

Crusell Week also brings a wave of young musicians to town as they participate in woodwind masterclasses led by international experts. These talented students will perform not only in dedicated student concerts but also in impromptu street performances around the city—so keep an ear out for delightful musical surprises on your way to the market!

We warmly welcome you to celebrate Uusikaupunki's great composer and immerse yourself in the joy of music!

CRUSELL MUSIC FESTIVAL 2025

The program and tickets are available from April 2025. Tickets to the festival are available at www.lippu.fi offices across the country, and from 1 May at the Uusikaupunki Tourist Information Office, Rauhankatu 10.

MYLLYTONTTU'S GHOST TOUR

Myllytonttu is on a ghost hunt!

What mysterious sights has Myllytonttu encountered on the way from Myllymäki (Windmillhill) to the market square? Ghosts! And in broad daylight! Eek!

Myllytonttu takes action and becomes a detective. It is time to hold a ghost-banishing course. Essential tools include a flashlight, a magnifying glass, binoculars, a pen, a notebook, a whistle, and a good dose of detective courage.

The ghosts have all sorts of peculiar tasks. Some howl harmlessly and play tricks on passersby, while others pull pranks that make people trip over their own feet. A few haunts from morning till night, then party noisily until the early hours, leaving people sighing in exasperation.

During the course, participants will learn how to send ghosts back to their own hiding places and secret lairs. Everyone will receive a small surprise to take home. The fun new adventure trip is filled with activities, stories, music and play. On the trip, the children will

walk around the attractions of the Uusikaupunki town centre in the merry company of Myllytonttu and Myllymuori.

The adventures are organised in co-operation with the Uusikaupunki Tourist Information Office. It is recommended that under school-aged children are accompanied by an adult, and strollers are recommended for small children. The trips are also well suited for kindergarten and school groups.

Adults and children can engage in activities in the same location.

Wintteri truly lives up to its name as a multifunctional hub. It brings together a wide range of user groups and services, all designed with users' needs in mind. The flexibility, adaptability, and accessibility of the spaces allow for efficient and extensive shared use. At Wintteri, it's not about the square meters—it's about what they enable. Where does the name Wintteri come from?

The name Wintteri originates from the surname Winter. Various individuals with the surname Winter have played a significant role in advancing the well-being and education of Uusikaupunki residents throughout history. The name is a tribute, particularly to pedagogue and schoolmaster Johannes Winter, who diligently ensured the city's and its residents' welfare during the difficult years of the Great Wrath.

TOWN CENTRE AND WOODEN HOUSE DISTRICT

According to the Finnish Heritage Agency, Uusikaupunki is one of the best-preserved Empire style wooden towns in Finland. An extensive wooden house district built in a grid layout in the centre of Uusikaupunki and dating from the late 19th century has been well preserved. The town has been damaged by several extensive fires, the latest of which were in 1846 and 1855. Most of the current town centre was built after this. The modern town plan was designed by architect Georg Theodor Chiewitz in 1855.

The town centre has more than 40 blocks containing around 600 old wooden houses. Uudenkaupungin Vanhat Talot association organises every second year the Old Houses of Uusikaupunki event (next time September 2025) that allows visitors access to some of the houses and gardens.

KAUPUNGINLAHTI BAYSIDE AND STORY BOARDS

The sea reaches the city centre in the form of Kaupunginlahti Bay. Its shores are popular among locals and tourists alike in the summer. The maritime phrases and names of ships on the seafront promenade are related to the maritime history of the

city. The names of the piers represent the routes of former merchant ships: Stockholm, Copenhagen, and London. Story walls presents these three cities.

Around the vicinity of the Kaupunginlahti Bay you can also find 10 information boards with photos and delightful stories of life in the old days.

MYLLYMÄKI WINDMILL PARK

The hill is home to four historic windmills, many flowerbeds, steps, millstones and a children's playground. The northern side has an arboretum where different tree species are marked with signs. There is also an old water tower on the hill that functions as an observation tower, but unfortunately there is no longer a possibility to get up to the tower. The tower is 50 m from sea level.

OLD MÄNNÄINEN IRONWORKS

Männäistenkoskentie, Kalanti. At the old Männäinen ironworks, you can experience the history of iron refining in the 18th and 19th centuries. The Männäinen ironworks area has some well-preserved production buildings, such as the unusually large coal house and the grey stone chalk house. The ironworks today looks very similar to when its operation ended in early 19th century. The area and the buildings are privately owned, but you can view some of them from the outside.

GRAVEYARDS

By the Old Church there are soldiers' graves and some ancient graves. The city's actual graveyard is at the junction of Autotehtaankatu and Kalannintie. There are graves in the graveyard dating from 1849. There is an old graveyard by Lokalahti Church and a new one by Palomäentie. The Pyhämaa graveyard is located by the Pyhämaa Church, and Kalanti Church is also surrounded by a local graveyard.

PYHÄMAA CULTURE STAIRS

Telakanranta in Pyhämaa, Pyhämaanranta 37. The stairs lead from Telakanranta to the old mill. They are 38 metres in length and contain 62 steps. The stairs were built by volunteers with funding from the Ravakka association. The culture stairs are part of the culture trail in the Pyhämaa centre. Pyhämaan Kotiseutuyhdistys association has collaborated with the Uusikaupunki Museum to create a mobile version of the new culture trail. On the upper landing of the stairs, you can see an old photo to compare how the landscape has changed over the decades. The stairs can also be used for running.

RADANSUU WATERMILL

The old Radansuu watermill is located at the border between Pyhäraanta and Uusikaupunki, at Radansuuntie 178. The watermill was built in early 19th century and is still fully operational. Reportedly there has been a mill in the same location already in the 16th

century. The watermill was originally operated by a paddle wheel, but it was later changed into a turbine-powered mill. The watermill is currently in private ownership.

UUSIKAUPUNKI THEATRE PRESENTS

Teuvo ja paperitaivas

Teuvo ja paperitaivas, a musical featuring the music of Leevi and the Leavings, takes us back about fifteen years to a small town whose heart is a paper mill. The factory has grown, but in recent years, it has faced cut-backs and employee negotiations. Despite the tough times, music fills the air, and romance blossoms.

Excitement at the factory rises with the arrival of the young new manager, Laura Jenna

Jurvanen—so wonderfully charming and perfectly fitting for the role.

Everyone has their dreams. One dreams of Marja-Leena, another of Kyllikki, who once posed in a men's magazine, while a third longs to return to their roots in North Karelia. Rock, peace, and love—we all sang it together... The music for the play comes from Gösta Sundqvist's work with Leevi and the Leavings. Directed by: Jari Luolamaa.

Hella Wuolijoki - Raija ja Pentti Nokkala: Loviisa and Heta

Niskavuoren perintö (only in Finnish)

Loviisa and Heta is a compilation of the best plays from the Niskavuori series, where the grandeur of a classic shines through timeless characters, with a touch of music, humor, and lightness.

Loviisa and Heta do not run from life; they bear the weight of responsibility through all of life's storms. Heta's self-centeredness and feelings of inadequacy, as well as Loviisa's strength as the preserver of generations' work, feel deeply relevant today. Personal ambitions versus the continuity of land, farms, and forests—are we only talking about money? Does something essential get lost when a single goal consumes an entire life?

The men's blood runs either fervently passionate or heroically humble. The people of Niskavuori are strong-willed, stubborn to the core. The very qualities we recognize as quintessentially Finnish—these we have inherited from Niskavuori.

Be charmed by the sea – be enchanted by nature

In Uusikaupunki, we have the sea right by us. The seaside atmosphere is apparent on the cozy bayside boulevard right at the heart of the town.

Uusikaupunki is surrounded by a beautiful archipelago full of stunning natural scenery, idyllic islands, and the clear waters of the Bothnian Sea National Park. If you are arriving by boat, you can enjoy the services of the Pakkahuone guest harbour, which has been nominated the best in Finland. There is also a guest harbour at the idyllic Telakanranta in Pyhämaa as well as several piers and berths for visitors around the archipelago, such as the Yacht Club pavilion on Pietarinkari and the Uudenkaupungin Työväen Moottorivene-seura boat club's visitors' berth at Haanperänkari.

You can easily experience the wonders of the archipelago even without a boat of your own. On the M/S Kerttu you can sail to the Isokari lighthouse island or join a seal safari that will take you far out to sea. On the M/S Kerttu you can also join guided bird-watching trips and experience the atmosphere on Saturday evening cruises. On Kerttu's guided sightseeing cruises, you can hear stories about the seaside town.

There are 11 public beaches in Uusikaupunki. Some of them are seaside beaches and some are lakeside beaches. Uusikaupunki is also a popular spot for fishing enthusiasts. The Fishing Center, Holiday Village Merikoivula, and Villa Wohde offer excellent facilities for fishing. If needed, guided fishing services are also available.

The Velhovesi ring route is a route of bridges across the islands that lets you enjoy the beautiful archipelago without having to bother about boats or ferry timetables. You can cycle around the route and stop to enjoy the beautiful archipelago whenever you feel like it. You can also drive around the 50-kilometre route by car, admiring the sea views as you go.

Another great location for enjoying the sea and nature is the Pamprinniemi nature trail in Pyhämaa. Hiunjärvi is a lake near the town centre that is a popular spot for birdwatching. There is also a nature trail around the lake. The accessible nature trail and birdwatching platform at Kasarminlahti provide a safe environment to explore the forest and waterfront while observing nature.

THE MEETING PLACE FOR LANDRACES AND SEA CRAYFISH Pakkahuone guest harbour

Pakkahuone guest harbour in Uusikaupunki has been the favourite stop of many boaters for a long time. It has been voted the best guest harbour in Finland three different times as well as awarded several other commendations, and no wonder.

On the north bank of the idyllic Kaupunginlahti bay is the Pakkahuone café with its famous freshly baked sweet and savoury pastries. The most famous of them all is the delicious doughnut that people come for from a distance! Our terrace is licenced to serve alcohol, and we also serve our renowned pizzas and other delicious dishes.

The guest harbour is open from April to the beginning of October, and there are moorings for 70–80 boats. The harbour fee includes mooring, use of the great sauna facilities, showers, washrooms and toilets as well as water and waste management. Other services include laundry facilities and bike rental.

From late June to early August, the Pakkahuone guest harbour organises fun events on Wednesdays and Fridays. On the traditional evening market held on Wednesdays, the bayside is filled with market stalls, and there is live music at the guest harbour. A new addition this summer are the Bingo Fridays and After Work artists on the terrace. Children can enjoy a bouncy castle during events.

The Pakkahuone boutique is a real window into the offerings of the town. You will find fresh vegetables from local producers and interesting local entrepreneurs with their wares.

Come and enjoy a bit of shopping!

A LIGHTHOUSE ISLAND IN A MARINE NATIONAL PARK

Isokari

The Isokari lighthouse island is the most beautiful attraction of the southern part of the Bothnian Sea.

Isokari offers visitors a range of services in the peaceful archipelago. The tallest lighthouse in the Gulf of Bothnia is surrounded by exquisitely beautiful nature. The Isokari island is part of the Bothnian Sea National Park. The lighthouse itself is from the era of the Russian Empire, from 1833. You can visit the still operational lighthouse on one of the guided tours, which are held daily during the summer.

The 186-hectare island has plenty of other interesting sights in

addition to the lighthouse. You can take a stroll along a nature trail, spot rare plants and birds, pet the sheep, and marvel at the beauty of the endless horizon. The morning activities of the island's native black guillemots are a wonderful sight – you can enjoy watching them by spending the night at Isokari!

The island has great services for travellers, including a hotel, restaurant, and guest harbour. Cruises to the island are organised from early spring to late autumn, and many people also like to visit the island by their own boat. Isokari offers a beautiful setting for meetings and business functions, and the island is a perfect place to organise your birthday or perhaps an engagement party.

The summer hotel is located right by the beautiful lighthouse. The small hotel only has six flats, so make your booking already in the spring! During high summer, you can travel to the island from Uusikaupunki and in midsummer also from Kustavi.

Isokari is located in the open sea, approximately 22 kilometers from Uusikaupunki.

Natural sites

HIUNJÄRVI NATURE TRAIL

Hiunjärvi is a lake located just north of the Uusikaupunki town centre. Despite its proximity to the centre, the area has remained relatively sparsely populated. The lake is around 12 hectares, and around a third of its surface area is covered by thick vegetation. Hiunjärvi is a popular spot for birdwatching. There is also a nature trail around the lake. Along the trail you can find a lean-to and a bird watching tower. You can access the trail near the pedestrian underpass by the Saarnisto school or at the end of Juolukkatie or Otavakuja. The distance from the underpass to the lean-to is about 1 km. The longest route around the trail from the underpass is 3.8 km, and a shorter one is 3.2 km. The distance from the Juolukkatie entrance to the lean-to is 0.7 km. The longest route around the trail from Juolukkatie is 3.6 km, and a shorter one is 1.4 km. From Otavakuja, the shortest route to the lean-to is 1.4 km. The trail is marked using orange diamond symbols as well as by maps located at the starting points and at crossroads.

KASARMINLAHTI ACCESSIBLE NATURE TRAIL AND BIRDWATCHING POINT

Kasarminlahdentie 8, Uusikaupunki (entrance to accessible trail), with larger parking area. Accessible birdwatching point and nature trail offer the opportunity to enjoy the forest and get near the water safely. The Kasarminlahti area has a lot of different bird species, and many migratory birds also stop there. Kasarminlahti is located less than two kilometres from the market square. The accessible nature trail and birdwatching platform provide an excellent view over the Kasarminlahti bay and meadow. Services on the accessible section: birdwatching platform, nature trail, accessible composting outhouse, and benches. In addition to the accessible trail to the birdwatching platform, there is a more demanding trail (not accessible) to the Kasarminlahti lean-to and the Vionpuhti campfire spot. The trail is hilly and part of it is on rocky terrain.

PAMPRINNIEMI TRAIL IN PYHÄMAA

Hautie 259, Pyhämaa. The Pamprinniemi nature trail is located in Ketteli in Pyhämaa on church-owned land. The trail is about 4 kilometres long. The area is a significant nature and bird conservation area, as it has been maintained in its natural state. It is part of the European Natura 2000 network. Along the trail, you can experience many kinds of natural surroundings from the seaside to old spruce forests and patches of fern. You can also spot some very big and old pine trees in the area. Along the trail, you can find a wide range of different bird species. The church has also erected some Bible-themed story boards around the trail. There is a large wooden cross at the tip of the peninsula where the church usually holds an opening ceremony for the trail in early June. The road leading to the trail, Hautie, is a private road. The

trail is open year-round, weather conditions permitting.

LEAN-TOS SHELTERS AND GRILL SHELTERS

The City of Uusikaupunki has built a total of three lean-tos: Hiu, Kasarminlahti, and Oinassaari. Additionally, a campfire site has been constructed in Vionpuhti, near the Kasarminlahti lean-to, by Vakka-Suomi Latu.

Cozy grill shelters have been built for hikers at the swimming beaches of Karhuluoto and Pyhämaa. These beach areas are also equipped with restrooms. Grill huts can be found at the swimming beaches of Raulio and Vintri, as well as at the Pitkäluoto fishing harbor in Pyhämaa. It is recommended to bring your own firewood just in case.

FRESHWATER BASIN

The freshwater basin is a lake of 37 km² from which the inhabitants of Uusikaupunki and other nearby towns get their drinking water. The basin was dammed up in the mid-1960s. The embankment separates the sea from the lake. The lake is located to the southwest of the city centre. The Velhovesi ring route circles the freshwater basin.

PÄRKÄNVUORI HILL AND CAVES

Postitie 630, Uusikaupunki. The Pärkänvuori hill in Pinipaju in Lokalahti rises nearly 30 m from the surrounding areas. The hill has broken down into large boulders. One of the largest of these, Morsiuskivi, has fallen near one of the surrounding fields and has been the object of some old folktales. The two caves in the area, Veskellar and Pimi kellar, also have their share of stories. To the east of the hill, you can find a grove. The steep walls of the hill are excellent for rock-climbing.

KUUANVUORI

Kuuanvuorentie, Uusikaupunki. Kuuanvuori is one of the tallest rocky hills in the area, rising around 50 m above sea level. It has excellent views across the surrounding forests and fields. Exercise and hobbies for all ages

In Uusikaupunki, time flies whether you're alone, with a partner, with family, or even with a larger group.

There is something for everyone, whether you are looking for sports, adventure, or relaxation – no matter your age or condition. Most sports and recreation venues are located close to the town centre. There are also plenty of services available in the active village centres.

You will find a public swimming pool, an ice rink, an athletics field, gyms, and fitness centres. There is a wide range of activities on offer, including horse riding, bowling, kayaking, fishing, scuba diving, and swimming. The local 18-hole golf course has one of the longest seasons in Finland. The Vahterusring ski tunnel always has perfect conditions for skiing, running, cycling, and roller-skating. The ski tunnel is also home to a golf simulator. The City of Uusikaupunki maintains ski tracks on local jogging paths during the winter, weather conditions permitting.

If you are interested in frisbee golf, you will find several courses in the area. Last summer, a new 18-lane course was constructed in Sorvako, near the town centre, and there are also frisbee golf courses in Kalanti, Lokalhti, and Pyhämaa. In Kalanti, you can find

a 21-lane, competition level frisbee golf course. There is also a practice area and a 200-metre driving range.

The new competition-level padel courts by the Kaupunginlahti bay provide an excellent opportunity to try out this popular game. There are beginner's courses available for new players and playing equipment for hire.

At the head of the Kaupunginlahti bay, there is a skate park, where the whole family can enjoy a day of skateboarding, scooting, or biking, surrounded by great views. Next to the skate park are the popular Lion park playground and an activity park for senior citizens.

For the outdoorsy, there are various nature trails and jogging paths, mountain biking trails, lean-tos, and barbeque shelters. Along the Sorvako jogging path, you can enjoy the sea view and use the popular workout stairs. The new 62-step 'culture stairs' at Telakanranta in Pyhämaa are also an excellent spot for a workout.

After a day of sports, why not relax in a sauna. There are several rental saunas in and near Uusikaupunki. There are also some public saunas available.

GOLF WITH A GOOD MOOD AND DELICIOUS FOOD

Uusikaupunki Golf Club and Brasserie Golf

The Uusikaupunki golf course offers just the right amount of challenge for players of all levels. At Brasserie Golf, you can stop by for a delicious buffet lunch.

The Uusikaupunki golf course is centrally located, only a kilometre away from the guest harbour and other services of the town centre. The 18-hole course is known for its versatility. You will find fairways in park as well as forest areas, and the terrain is varying. There are also several ponds and an inlet to create more excitement.

Thanks to the vicinity of the sea, the golf course boasts one of the longest playing seasons in Finland. We welcome everyone interested

in golf, whether beginners or professionals, and you are also welcome to drop by just for lunch.

At the heart of the golf club is Brasserie Golf, which prepares a wide range of delicious dishes from local ingredients to satisfy both small and big appetites. Brasserie Golf is open daily from 8 am to 9 pm during the golf season and on weekdays from 10:30 am to 3 pm for lunch during the winter season, with evening and weekend service available by arrangement. Come and enjoy a nourishing lunch, a cup of coffee, or simply take in the stunning surroundings from the terrace. The venue is also suitable for various events and gatherings, so feel free to contact us.

A SEASIDE SKATE PARK FOR THE WHOLE FAMILY RIGHT IN THE HEART OF THE TOWN

Skate Park and Pumptrack

The skate park is in a beautiful setting at the head of the Kaupunginlahti bay, near the sea and the town centre.

The skate park is 300 square metres, and the pumptrack is around 1,000 square metres. The pumptrack has an asphalt surface with various curves and elevations shaped according to the terrain. There are also some mounds that

can be used for jumps. Part of the track is shaded by some cosy trees. Part of the skate park has an asphalt surface, which is good for beginners, but there is also a concrete part that is a suitable practice space for the more serious athletes.

The combination of a skate park and pumptrack allows people to train together, whether they

are using a skateboard, scooter, or bike. There are crisscrossing paths across the different areas to increase the number of optional routes. Next to the skate park are the popular Lions Park playground and an activity park for senior citizens.

HIKING, CYCLING OR DRIVING BY CAR IN THE ARCHIPELAGO

Velhovesi ring route

Experience some of the most beautiful archipelago without having to bother about boats or ferry timetables. Barrel through the whole 50 km in one go or take your time enjoying the beautiful archipelago.

The Velhovesi ring route takes you through the northern parts of the Uusikaupunki archipelago, around the freshwater basin. The route is about 50 km long. There are side roads leading to the Lepäistentie and Lyökintie turnarounds, to the Pyhämaa village centre, the tip of the Pitkäluoto spit, and the Männäinen ironworks. The main route is signposted clockwise. The main route is marked with orange circles and the side roads with green circles. The directions are marked with arrows.

You can travel along the route, for example, with an e-bike that you can rent from the Tourist Information Office or from Santtioranta Camping. Along the route are villages where you can stay overnight, beaches where you can stop for a swim, scenic points where you can take a breather, and village shops where you can browse. There are also summer-café and restaurant in Pyhämaa. All scenic points, rest stops, beaches, attractions, and services are marked on the map brochure and the website.

Learn about centuries old stories along the Velhovesi ring route. Story points are marked in the brochure and the website as well as on signposts along the route. The signposts for the main route

are orange and those for the side roads are green. The plaques contain QR codes that you can scan with your mobile phone. By scanning the QR code, you can read the story directly from your phone. You can therefore read the stories from the brochure or from your phone.

Ring route brochures are available at the Tourist Information Office.

Rairanta is a cosy 14-hectare camping ground by a beautiful bay about 7 km south of Uusikaupunki. You will find clear signposting along the road between Taivassalo and Uusikaupunki.

Rairanta is maintained by a skilled and active group of volunteers, and it has received the SFC "Caravan Smiley" badge, which is the sign of good quality and safety. Rairanta has also been selected the Campsite of the Year in 1994, 1997, and 2008.

Rairanta is open year-round, and there is always an on-call host available. At the office there is a

kiosk where you can buy coffee, ice cream, sweets, and basic travel necessities. Visitors can also use the spacious new kitchen and dining room.

Rairanta has a total of 270 spots with electricity for caravans. There are no tent spots available in Rairanta.

MOTOR CAFÉ BY THE SEA

Cafe Zakun Ranta

Cafe Zakun Ranta opens its doors in May, near the center of Uusikaupunki, right by the scenic waterfront of Town Bay.

Located in the historic courtyard of the former sawmill's steam power plant—now known as Voimala Zaku—this cozy café is dedicated to motor enthusiasts. The café is licensed to serve alcohol and operates from May to September, with special Motor Café evenings every Wednesday from 4:00 pm onwards, featuring cars and motorcycles as the main theme.

In addition to great food and drinks, visitors can enjoy live music performances, a relaxed atmosphere, and the opportunity to meet like-minded people. The courtyard also hosts an antique shop and other curiosities. You're welcome to soak in the ambiance — even without a vehicle!

Throughout the summer, the café will also host themed weeks and exhibitions. One of the highlights of the season is Möljä Miittinki, an annual gathering of vintage and specialty vehicles, including classic cars, motorcycles, mopeds, and trucks of all kinds. This year's event takes place on Saturday, August 9, bringing together hundreds of unique rides.

Stay updated on upcoming events by following our Facebook pages: "Tilaustravintola Zaku" and "Möljä Miittinki"

A SEASIDE RESTAURANT STEEPED IN HISTORY

Restaurant Wiku

The name Wiku has its roots in history. On this very site, there once stood a rubber repair shop, Kumi-Vikman, in front of which were the city's first fuel pumps for boats. Local fishermen would stop by to refuel, relying on their trusted Wickström boat engines — nicknamed “Wikus.”

Today, the restaurant has been modernized with a contemporary twist, offering a delicious and diverse buffet lunch on weekdays, as well as a carefully crafted à la carte menu. “We focus on fresh and popular flavors, using clean and responsibly sourced ingredients,” says restaurant owner **Taina Aalto**.

On weekends, the restaurant comes alive with karaoke and live music. “Our cozy, glass-covered terrace is the perfect place to enjoy great company and the incredible atmosphere of the Town Bay,” adds business partner **Tanja Nyberg**.

For those arriving by boat, Wiku has its own dock, making access easy from the water. Both Wiku and the neighboring “Pikku-Wiku” spaces are available for private events, and the fully equipped meeting facilities provide an excellent venue for business gatherings as well.
