### Go outside and explore Uusikaupunki - Find the hidden statues!

Hidden Play is a series of small bronze sculptures hidden in the terrain that can be searched for using a digital or printed map. Each route comes with a mobile game that helps you look at the environment from different angles and learn new things. The search is free of charge for the participants. The route is suitable for everyone: residents, school classes, seniors, work groups, tourists, etc. The route is about 4-5 km long. You can search for hidden play sculptures at: <https://piiloleikki.fi/kartta/>
